NITROGEN MANAGEMENT PLAN SELF-CERTIFICATION COURSE

SELF-CERTIFICATION COURSE FOR GROWERS WHO FARM IN HIGH VULNERABILITY GROUNDWATER AREAS

In 2019, your Nitrogen Management Plans (NMPs) must be reviewed and approved by a Certified Crop Advisor (CCA), professional agronomist, soil scientist **OR**
You can be certified at the meeting below to certify your own NMP.

LOS BANOS

NMP SELF-CERTIFICATION COURSE

Tuesday, May 21, 2019

8:30 AM – 1:30 PM

College Greens Building

1815 Scripps Drive

Los Banos, CA 93635

RSVP by calling 916-798-8003

or email register@curesworks.org

*Please RSVP with your Coalition ID No.

To obtain NMP certification, a grower must attend this four-hour session and pass a 30-question test at the end of the session.

Over the next 3 years, growers must attend Continuing Education (CE) meetings to maintain their certification. A schedule of upcoming CE meetings can be found at www.curesworks.org/cecourses.

CONTINUING EDUCATION UNITS (CEUs): Growers who have already been through the course and are certified can earn 1 hour of CEUs by attending this course!
