

Delta Mendota Subbasin Groundwater Sustainability Special Public Meeting

Tuesday, June 18

4:00 – 6:00 p.m.

Los Banos Community Center
645 7th Street, Los Banos, CA

You Are Invited

The Groundwater Sustainability Agencies of the Delta Mendota Subbasin invite you to attend their special meeting on the new, single Groundwater Sustainability Plan being proposed for the Subbasin.

During this session you will learn more about why there is a new plan, what the plan includes, and the critical steps being taken to ensure groundwater remains sustainable.

In addition to a presentation, time will be set aside for questions and comments.

Spanish translation will be provided.
